

Shop Equipment, Welding, Shelter Mounted

SC: 4940-95-A64
NSN: 4940-00-209-6240

System Description

The Trailer-Mounted Weld Shop System (TMWSS)—built by Power Manufacturing, of Atoka, Tenn.—is a self-contained unit that can do both welding and cutting of metal in remote field locations. TMWSS has been replaced by the Shop Equipment Welding. TMWSS can be transported on a C-130. It includes its own diesel engine, air compressor, grinder, drill, vise, welding apparel and consumables, gas cylinders, slide-mounted toolboxes, weld curtains and work lights.

This system is not currently in reset.
